About OCI Wires & Cables :

OCI a product of Azure Switchgears Pvt Ltd, is one of the largest manufacturer of electrical & communication cables in India having more than 30 years experience.

The company’s position is a result of a consistent management strategy, which focuses on product innovation, product diversity, geographical reach and product integration. We strive for flawless execution ,with a penchant of details, be it Manufacturing, Quality Control, Marketing, Purchase and Financial operations. We are committed to providing value added and customized solution to meet customer requirements. Our customers play a major role in our success, as we collaborate with them closely to evolve & develop products that are in line with their changing needs.

In an on-going process to improve customer satisfaction, our company offers a variety of services:

- Competitive prices ● Reliable & consistent quality
- Product development as per changing market trend ● Reliable and on time delivery of orders
- Targeted stocking policy ● Technical support for applications / projects

COMMITMENT

We will demonstrate commitment by focusing on company objectives and the needs of our customers.

EMPOWERMENT

We will be accountable for all our actions and take complete ownership of consequences and at the same time, we will trust and empower our people to deliver results.

TEAM WORK

A young & dynamic work environment filled with innovation and ideas leads to strong relationship, mutual respect at place to work.

TRANSPARENCY

We are up-fronts, visible and consistent in our actions. We treat everyone equally and are guided by the intent of doing what is right.

AN ISO 9001:2015-14001 COMPANY

COMPANY PROFILE

One of India's leading electrical wire & cable major, is a brand name trusted by uncountable customers for over three decades now. It is renowned for its at par quality products, world class quality standards and technological excellence.

 offers a wide range of electrical products for modern living :

Wiring Cables, Round Cables, Flat Cables, Telephone Cables, Modular Switches & Accessories, Miniature Circuit Brakers (MCBs), Distribution Boards & Modular Boxes.

Designed and developed by OCI's ISO 9001 : 2015 -14001 certified R&D, these products are made from high quality components, quality checked at every stage of the manufacturing process and equipped with latest technology and advanced features to deliver superior performance products.

MANUFACTURING FACILITIES

 has always strived to offer best quality products to the market on time.

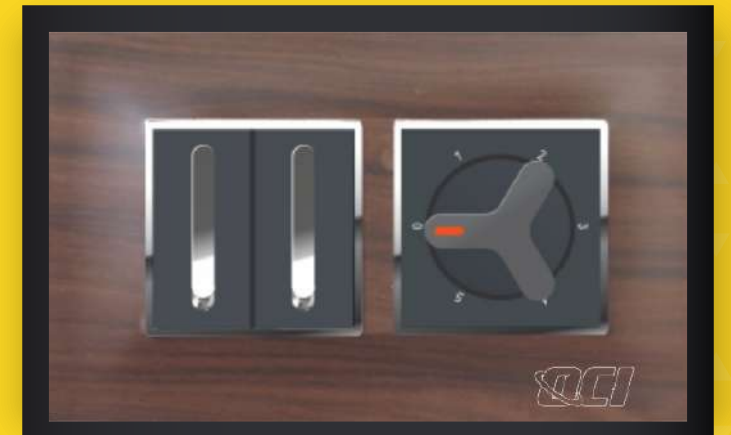

In order to achieve this, OCI has set up manufacturing units in Haridwar (UK) & Delhi.

The manufacturing plants are well equipped with modern machinery for producing quality products. All the plants are ISO 9001 : 2015 - 14001 certified. All the plants are regularly upgraded to offer quality outcome. They have an excellent safety

record, making  Wires & Cables toppers of their range

SWITCH IT ON
