SWITCHGEAR

Step into a world where design meets distinction — our premium range of modular switches blends bold contours with refined elegance. Engineered with European finesse and powered by advanced technology, each switch offers whisper-quiet performance and a tactile experience like no other. It's not just a switch.

Silent, seamless, and striking — this is luxury you can touch.

Technical Highlights	
Feature	Specification
Movement	Smooth Rocker Mechanism
Terminal Type	Precision Screwed Terminals
Current Capacity	10A to 32A
Voltage	240V ~ A.C.
Module Options	Available in 1 & 2 Modules
Pole Configuration	Single & Double Pole
Temperature Range	-30°C to 80°C
Ingress Protection	IP20 Rated

Material Composition	
Component	Material
Base Body	Flame-Retardant Polycarbonate
Outer Knob	UV-Stabilized Polycarbonate
Terminals	Durable Brass with Copper Contacts
Rocker	Copper Fitted with Bi-Metal Rivet

MINIATURE CIRCUIT BREAKERS

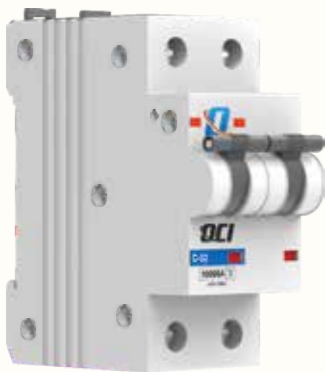

Our MCBs are precision-engineered to provide consistent, reliable protection against overloads and short circuits. Built for durability and efficiency, they ensure safe power distribution across residential, commercial, and industrial applications—minimizing downtime and maximizing safety.

Sport Welding Free

AN ISO 9001:2015-14001 COMPANY

We are the leading Indian electrical brand committed to delivering innovative, reliable, and high-performance electrical solutions. With decades of industry expertise, we have built a strong foundation rooted in quality, trust, and customer satisfaction.

Our extensive product portfolio includes Wires & Cables, Modular Switches, Switchgear (MCBs & Distribution Boards), and Electrical Accessories, all designed to meet the highest safety and performance standards. Every We product reflects a blend of cutting-edge technology and elegant design—crafted to serve the evolving needs of modern homes, commercial spaces, and industrial environments.

With a robust presence across India and a growing network of dealers and distributors, We is focused on expanding its reach while maintaining its unwavering commitment to product excellence and service integrity.

At OCI, WE DON'T JUST POWER BUILDINGS — WE EMPOWER LIVES.

www.ocicables.com

Beyond Wires. Behind Every Wall.

At OCI, we believe that every connection we create goes beyond wires and switches – it builds trust, ensures safety, and powers lives. Rooted in decades of industry experience and driven by a commitment to innovation, we deliver electrical solutions that stand the test of time. From premium wires and cables to precision-engineered switches and accessories, each OCI product is crafted with care, tested for durability, and designed to meet the highest standards of performance. Our legacy is built on strong relationships – with dealers,

electricians, and customers who rely on us every day. We don't just manufacture electrical products; we bring together technology, design, and reliability to empower homes, industries, and communities across India. With OCI, you don't just install a product – you invest in quality, trust, and a brand that stands behind every connection.

Because at OCI, Powering progress isn't just our goal – IT'S OUR PROMISE.
